Product Data Sheet

WERO WorkStar

Assembly Glove

REF 20461284 -85, -86, -87, -91

Application:	The WERO WorkStar assembly glove is the perfect companion for a variety of work environments
Product description:	It can be used for manual tasks. Thanks to its nitrile foam coating, which provides excellent grip, it can also be used in wet, dirty, and oily environments.
Food Contact:	WERO WorkStar is suitable for short-term direct contact with aqueous, acidic, and alcoholic foods in accordance with Regulation (EC) No. 1935/2004. Its suitability for food contact has been demonstrated under the relevant test conditions. The glove is not intended for prolonged food contact or for the storage of food.
Product features:	- Breathable - Good tactile sensitivity - High precision fit - Secure grip in dry, oily, greasy, and slightly damp environments
Applications:	Industry, manufacturing, automotive assembly, auto repair shops, quality control, as well as forestry and agriculture.
Size:	7–11
Length:	approx. 25 cm
Material:	The nylon and elastane (spandex) base material offers excellent mobility, flexibility, and sensitivity. Palms and fingertips feature a foamed NFT®nitrile coating, with Sanitized®permanent antimicrobial treatment. Touchscreen compatible and tested for harmful substances according to Oeko-Tex®Standard 100.
Gauge:	15
Color:	Gray/Black
Certification:	PPE Category II (medium risks) EN ISO 21420:2020

ARBEITSSCHUTZ

EN 388:2016+A1:2018

EN 407:2020

Test results of mechanical tests according to EN 388:

Abrasion resistance:	Performance Level 4
Round-cut resistance:	Performance Level 1
Tear strength:	Performance Level 3
Puncture strength:	Performance Level 1

Cut resistance according to EN ISO 13997: Performance Level X

Test results for thermal risks according to EN 407:

Flame behavior:	Performance Level X
Contact heat:	Performance Level 1
Convective heat:	Performance Level X
Radiant heat:	Performance Level X
Small splatters:	Performance Level X
Large splashes of molten material:	Performance Level X

Declaration of Conformity: The EU Declaration of Conformity is available at http://www.wero.de/?ref=20461284.
